PROFESSIONAL SUMMARY

Accounts Receivable (AR) and Collections professional with nearly 2 years of remote experience managing delinquent balances, and payment follow-up for Canadian and U.S.-regulated accounts. Experienced in AR inbox management, payment plans, and accurate CRM and billing records in SedonaOffice and FACS.

WORK EXPERIENCE

Collection Specialist & Billing Support (Freelance) *January 2026 – October 2026*
Virtual Hire – a.p.i. Alarm Inc. | Canada (Remote)

- Managed delinquent accounts for a Canadian alarm and security company, following up on balances by phone and email
- Managed the accounts receivable inbox, answering billing inquiries promptly and accurately
- Used SedonaOffice billing software for account and billing activity
- Recorded payment agreements and account statuses in the client's CRM
- Responded to 80+ billing emails daily in support of collections activity

Collection Specialist *November 2024 – January 2026*
Transworld System Customer Service Philippines LLC | Quezon City, Philippines (Remote)

- Assessed delinquent accounts and prioritized them with team leads to plan collection strategies
- Negotiated payment plans and settlements to recover overdue balances in compliance with company policies and consumer collection laws
- Handled high-volume collection calls, consistently meeting daily and monthly recovery targets
- Used the FACS system for account management and documentation
- Documented all collection activity accurately and maintained FDCPA compliance and escalation protocols

EDUCATION

Bachelor of Science in Nursing (Completed 2 Years) *2022 – 2024*
Lady of Lourdes Hospital and Colleges of Caybiga Inc.

Senior High School – Science, Technology, Engineering, Mathematics (STEM) *2019 – 2021*
